- Friendly and easy to use
- Optional bundling with **Video Forensics, Cellebrite, Hancom, Magnet Forensics, Mobile Forensics System** or other forensics software.

Specifications:

Item	Specification
Product Name	CYBER MAZINGER
Model	DE-CMZRV2
OS	Win10 64 bits OS
CPU	Intel C612 Chipset Intel Xeon E5-2620V3 CPU x 2
Memory	DDR4 2133MHz 32GB (Upgradeable to 128GB)
Hard Drive	250GB SSD (operating system) 4TB Hard Drive (Storage) x 3 unit with RAID 5 configuration (8TB Capacity)
Writeblocker Interfaces	Type C (USB3.1) write blocker x 2 3.5" SATA/SAS x 4 – Hot swap Multi interface Write blocker with PCI-E x 1 SATA x 1 USB 3.0 x 1 IDE x 1
Read/Write Interface	USB 3.0 x 8 port (power independent) 3.5" SAS port x 4 3.5" SATA port x 4
Module	Built-in Wireless charger x 1 DVD R/W Driver x 1 RJ45 10GB x 2 port 3.5 earphone jack x 2 WiFi and Bluetooth module x 1 Built-in rear speaker
Digital Camera	Built-in HD Camera for evidence recording
Control access	Built-in Surface Pro 6 (i5/128GB/4GB) with Duplication Software with Hashing
Power adapter	1200W
Screen	Optional
Weight:	Approx. 120 kg (subject to hardware configuration)
Dimension	1800*900*750 mm (L*W*D)
